2021 All Iowa Reads Book Set for *Little Faith* by Nickolas Butler

Enclosed are 11 copies of *Little Faith* that you requested for your All Iowa Reads book group. Please check that you have received 9 regular print books, 1 large print book, and 1 audio book in CD format. If you have not received all copies, or there is another problem with your delivery, please let us know immediately.

Please remind your readers that these books are on loan and will be read by many others. No marks or highlighting are allowed.

Feel free to use the resources developed by the All Iowa Reads committees for each book, which include discussion questions, information about the author, reviews and interviews, as well as other information. The links to these can be found by going to www.iowaCenterfortheBook.org and clicking on “All Iowa Reads” on the left side navigation. Don’t forget to promote your discussion event on the Iowa Center for the Book’s Literary Events Calendar by clicking on the “Register Your All Iowa Reads Events” link.

In order for us to track the success and outcomes of the All Iowa Reads program in Iowa libraries, please fill out a brief survey after your discussion program at: www.iowacenterforthebook.org/air/survey/. **Libraries that hold events and complete the survey will be entered into a drawing to win a set of the 2022 All Iowa Reads selection. This will be the only way to enter this drawing.**

To keep things moving quickly, please send the books directly to the next library by the date indicated in the confirmation email you received. This will help us share the All Iowa Reads book sets with as many libraries and readers as possible. You may send them via IA Shares if the schedule allows.

If you have any questions, feel free to contact us.

Thank you for your participation in All Iowa Reads and enjoy *Little Faith*!
